

## Cucumber Shampoo

### Description

This shampoo is cool, refreshing and sure to be a summer time favorite. This shampoo smells like a fresh cut cucumber.

### Recipe for 1 gallon

1 Gallon Conditioning Shampoo  
.02 lbs Cucumber Distillate (.32 ounces)

### Recipe for 5 gallons

5 Gallons of Conditioning Shampoo  
.1 lbs Cucumber Distillate (1.6 ounces)

### Directions

The simplest way to make this is to add the cucumber distillate directly to the open 1 gallon of shampoo, replace the lid, firmly shake and package. For the 5 gallon bucket simply open, stir in distillate and package.

**Note:** You could substitute the Conditioning Shampoo for Aloe & Glycerin Shampoo, Aloe & Shea Shampoo, Basic Shampoo or Herbal Wheat & Oat Shampoo for similar results.

### Ingredient List

Aloe barbadensis (Aloe) Juice, Lavendula angustifolia (Organic Lavender) Distillate, Anthemis nobilis (Roman Chamomile) Distillate, Cocamidopropyl Betaine, Sodium Laureth Sulfate, Sodium Lauryl Sulfate, Kosher Vegetable Glycerin, Phenoxyethanol, Calcium d-Pantothenate (Pro-Vitamin B5), Cucumis sativus (Cucumber) Distillate, Silk Amino Acids, Tetrasodium EDTA, Citric Acid.
